DEMOLITION PHASE NEARLY COMPLETE

As the demolition phase of construction comes to a close, we are excited by the progress thus far. All demolition of the existing buildings will be complete by the end of the year. This creates a staging area for the delicate process of removing the historic façade, panel by panel. The slate tiles from the historic mansard roof have already been removed and other work has been progressing smoothly. We expect to have the site completely clear by January. Look for more construction updates in the next issue of *Legends and Landmarks*. Or to track the preservation and building process, visit www.prismcompany.com

WHERE A LEGEND BEGINS

It is rare that an opportunity presents itself to build a private residence from the ground up with the exceptional North Michigan Avenue location that The Ritz-Carlton Residences, Chicago, will occupy. A location this special demands an extraordinary property of enduring quality, and The Ritz-Carlton Residences surpasses all expectations.

Situated in the heart of world-renowned shopping and restaurants, and combined with the legendary Ritz-Carlton service, this timeless tower of understated elegance will provide a lifestyle of modern luxury within each of the 86 condominiums and throughout the exquisitely designed 12,000 sq. ft. private club. Owners will have at their service a worldwide network of the finest concierges, a club chef and servers, a porter, housekeeping and, of course, your friendly door staff and valets. To experience this lifestyle for yourself, call 312-242-5980 or e-mail theresidences@rubloff.com to schedule your private presentation, and learn how you can live the legend. We look forward to seeing you soon!

THE SIGHTS AND SOUNDS OF THE SEASON COME ALIVE

Since 1991, Chicagoans have looked forward to the spectacular Festival of Lights Parade along the Magnificent Mile. It is the first annual holiday event of the year in the U.S., and marks the start of the season on the Saturday before Thanksgiving.

Throughout that Saturday, fun and festive outdoor activities will take place that adults and kids alike will love – theatrical performances, ice sculpting, sipping hot chocolate while listening to choirs singing the songs of the season, and much more. The culmination of the day is the parade, which begins at 6 pm and moves from Oak Street to Wacker Drive. The favorite star and master of ceremonies, Mickey Mouse, illuminates more than one million tiny tree lights along the avenue as the parade moves block by block, cheered every step of the way by thousands of onlookers.

That same evening, store windows will be showcased for the official opening of the holiday season, and shops will stay open late for those looking to enjoy the incomparable retail experience of Michigan Avenue.

With the 2010 delivery of The Ritz-Carlton Residences, Chicago, you can enjoy all the festivities from the spacious, private club terrace, located on the tenth floor and overlooking the Magnificent Mile. Cheers!
